Our mission statement:

**Connecting compassion with needs;
inspiring growth with dignity**

We are a network of congregations committed to:

- Strengthening the ministries of local churches by providing resources, coordination, training and support
- Acting as an ecumenical advocate for change and reconciliation, promoting peace, justice and genuine community across racial, ethnic, economic and religious lines
- Providing service to the sick and injured, the elderly, youth, the prisoner, the poor, the hungry and homeless.

Although we are a Christian organization, we actively look for ways to cooperate with those of other faiths to address the concerns and needs we share.

Special services of the Broome County Council of Churches to clergy and congregations include:

- Community and Council events information provided monthly in the form of *Connecting Congregations* newsletter, as well as newsletters from the Council, CHOW and FIAV Programs.
- Chaplaincy services at Wilson Hospital and Binghamton General Hospital as well as the Jail Ministry Program at the Public Safety County Facility.
- Media – TV 12 “Encounter “
WNBF radio “Horizons in Faith”
- Training, education and community-wide events throughout the year.
